ARCANE 121(north side homes only).

\$535.00 (does not include installation)

Installation can be provided by Mailbox and Sign Solutions, however, their installation does not include painting or the mounting of the 3 inch brass numbers

Please note: these Bentley HOA approved models come in black, and MUST BE painted in Dark Hunter Green, Rust-oleum gloss enamel, which is available at Lowes, Home Depot, etc.

Brass 3" numbers are also required. The brass numbers are available from Amazon.com and some hardware stores. The 3" brass numbers can also be removed from the existing mailbox and repurposed.

Installation:

Paul Watson (cell 407-968-5070/home 407-365-9121) is a licensed and bonded handy man residing in Tusawilla and is familiar with Bentley mailboxes. He will install these mailboxes for approximately \$200.00 (call for current quote). This price includes setting the box in concrete, painting, and installing the owner-provided brass numbers. (Existing brass numbers can be repurposed by either polishing them or having them painted gold).
